TEQUILA 50

FREESTANDING FIRE TABLE

ecosmart⁺
Fire

LIMITED EDITION

Elegant, simple, and ever so functional, the Tequila 50 fire pit table is perfect for entertaining. With sufficient space to set down food or drinks, the fire becomes a welcoming destination for guests to gather around. With a sunken circular flame Tequila 50 certainly knows how to grab your attention.

Colour
Available in Natural Fluid concrete.

Relocate With Ease
Bioethanol fireplaces relocate with ease, and this portability is greatly enhanced by the self contained engineering of the EcoSmart system. There is no need for a utility connection, which means you can transform the look and feel of your indoor¹ or outdoor area when desired.

Global Compliance
This model complies with existing standards in the USA, Europe, UK and Australia. UL Listed, EN 16647 BSI Certified ACCC Safety Mandate compliant.

To comply with EN 16647 the Indoor Safety Tray and AB8 Burner Efficiency Ring must be installed before operating indoors.

Optional Fire Screen
Pair with a toughened glass fire screen, which stabilises the flame in windy conditions.

Environmentally-Friendly
Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

Quick and Easy
With no installation or building works required, simply unpack, put into position, and off you go.

Versatile and Incredibly Durable
EcoSmart portable fireplaces are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.
